CALCOG is a statewide organization of metropolitan planning agencies of which the Shasta County RTPA is a member. CALCOG meets periodically to address legislative issues affecting transportation, housing, air quality, economic development, regionally significant infrastructure, environmental streamlining and livable communities. Additional information regarding this organization can be obtained by visiting their website at [www.calcog.org](http://www.calcog.org). The RTPA Overall Work Program contains funding to pay for the expenses related to delegate and alternate participation in CALCOG meetings. Generally, these meetings occur twice a year.
