Presentation by RTPA Staff Regarding status of Shasta County Travel Demand Forecasting Model Update		10/25/2005	6

RECOMMENDATION

It is recommended that the Agency receive a presentation from RTPA Staff regarding the update process for the Shasta County Travel Demand Forecasting model. This is an information item. No Agency action is requested.

SUMMARY

A request for qualifications (RFQ) to update the model was approved for distribution by the Agency on July 27, 2004. The Agency authorized the Executive Officer to execute a Personal Services Agreement (PSA) with the low bidder on October 10, 2004. A PSA was signed with Dowling Associate Inc. on December 27, 2004. Work on the model began in late January 2005. It is expected to take approximately one year to complete the update. All jurisdictions are active participants in this update.
